

2009 Addendums

Updates and Revisions to TCHE Member Guidelines
(to be included in Member Folders)

1. Statement of Faith

In order to safeguard our design as a Christian group and as a basic definition of what it means to be a Christian, our new corporate Statement of Faith will be included in our Member Folders as a reference for everyone. All Leaders, Teachers, and HOPE Committee members must annually sign our newly adopted corporate Statement of Faith and agree to teach from a Biblical Worldview.

2. Requirements for Leaders, Teachers, and Volunteers

A listing of requirements for Leaders, Teachers, and Volunteers have now been detailed and are to be included in our Member Folders as a reference for anyone considering any of these positions.

Bi-laws for our HOPE Committee have now been formalized and will also be inserted into our Member Folders.

3. Focus/Focus Jr. Supervision

At least one coordinator must attend any Focus or Focus Jr event in order to assure that all guidelines are being upheld throughout the duration of that event. If no coordinator is available, due to illness or scheduling conflict, then another parent may be designated as supervisor once approved by the Presidents (or a HOPE member in their absence).
